

Thailand Health, Fitness & Wellness Expo

CentralWorld Bangkok 13th to 16th August 2020

We are pleased to announce Luxury Society Asia have become a strategic media partner for the Thailand Health, Fitness and Wellness Expo.

We are of course very aware that things are getting difficult in Thailand and the rest of the world right now, but we can take heart from the fact China seems to be turning the corner with Thailand and other countries having put in rigorous management and control structures to limit the spread of the virus.

With the THF&WE 5 months away we believe this will be a great time for visitors to be getting out and about again and for companies and services to showcase their products at the Expo to an audience that will be willing buyers following this difficult period.

We already have over 150 enquiries for booth space and have signed a number of contracts. For more information on how to be part of this great show as an

exhibitor and or sponsor which is taking place in a great location please contact us using the details below.
